RE: TLC Activity Schedule for November 2021
(November 15th - 26th, 2021)

Dear TLC Members,

We are excited to bring to you our activity schedule for the month of November.
Our learners have completed their academic learning for the year and we would like to have some fun learning with them through activities and simple home experiments.
All activities will be held online over Zoom.

Please go through the schedule for your child's class and **only log in on days/time slots when there are activities**. There will be no daily assemblies.

A gentle note: There will be a **dress up party** for all Learners on the Last Day of our Academic Year 2021, **November 26th**, 2021.
Learners are encouraged to dress up for the event and join us with snacks and drinks from home.

As we end our Academic Year together as TLC family, we would like to thank you for your support towards TLC this year.
TLC would like to celebrate all our learners for their perseverance, motivation and achievements this year on **November 28th, 2021**.
Do join us on **Facebook** for our **Annual Awards Ceremony**! More information will be released soon.

Dear TLC Learners,

Every milestone achieved is success in learning.

You have worked hard this year and you have done really well!
All of you have unlocked many challenges and skills. You have placed great effort in your academic learning as well as your skills development.
Through collaborative activities and learning in class, while you learnt from us, we learnt from you too!
All your effort is appreciated and TLC thank each of you for being good learners.

We, your TLC Facilitators, are very proud of you and we love you!
Keep up your good work, and let's have fun together for the next two weeks.

Sincerely from,
GRACE HEW
TLC PROGRAMME DIRECTOR
